

## Sapna participated in Global Mentoring Walk

Sapna Narang participated as a Mentor in the 2014 Global Mentoring Walk. This is organized in India by Biz Divas in partnership with “Vital Voices”. Vital Voices is a non profit venture supported by Ms Hillary Clinton. Global Mentoring Walk was conducted on International Women’s Day, Saturday, March 8<sup>th</sup> in 40 cities around the world.

The Global Mentoring Walk highlights the importance of women’s leadership in the professional world, and aims to accelerate the impact of women leaders through mentoring. It provides the platform for successful women to give back and it is creating a network for both the mentors and mentees to grow and engage in. As they walk, they discuss their professional challenges and successes and establish a mentoring relationship in which the mentor, advises and supports her mentee.
